

ENVIRONMENTAL IMPACT STATEMENT

-Passenger-

These guidelines are designed to ensure the passengers uphold the principles, regulations and protection of the National Parks, Forestry, Conservation and Historical property, recreational 4 wheel drivers and property owners to ensure the passengers have a safe, relaxing and memorable tour and that property remains the same for the future.

Booking this tour acknowledges your agreement to the below guidelines stating you the passenger fully understand and comply with the statement at all times whilst in the company of Tiger Adventure Tour Tasmania. Failure to comply may result in canceling the tour and the surrender of passenger(s) payment.

Passenger Impact Statement

Tiger Adventure Tours Tasmania is licensed to operate within Tasmanian National Parks, Conservation Parks, Historical Parks, Forestry and public non sealed tracks and practice minimal environmental impact whilst on tour. Due to the remote location and nature of our tours we ask our passengers to adhere to and practice the following guidelines:

1. Follow the guidance of your tours Driver / Guide at all times.
2. Consider yours and the group's safety at all times.
3. Keep to the tracks provided.
4. Keep noise to a minimal so that wildlife are encouraged and not disturbed.
5. Any rubbish taken into parks and on tour must remain with the vehicle until such time where as a rubbish disposal unit is available.
6. Do not feed the animals at any time.
7. No flower or plant samples are to be removed from the parks and surroundings.

These guidelines are designed to ensure the passenger uphold the principle above to ensure the sustainability for all passengers enjoying a safe, relaxing and memorable tour.
